ISSUE #32
MAY 3
2014

To celebrate Biennial Safety and Wellness Day, the IDNG Safety, Occupational Health and Environmental team will host a special event June 5 from 9 a.m. until 3 p.m. during the Safety, Wellness and Environmental Fair at the parade field here between

the exchange and outdoor track. This special event will include hundreds of community partners participating and supporting our Soldiers and Airmen. Vendors will offer practical safety tips for work and fun, wellness insight to include

cholesterol screenings, mammograms, and massages as well as environmental considerations. Spouses and kids are not only invited but encouraged to join us in this first Bring-Your-Kids-to-Work Day event. This year will also include fun simulation training as well as classes in back health and preventive health as well as a larger focus on environmental cost savings from work to home. For more information, please contact Maj. Tina Williams, IDARNG Occupational Health Nurse at 208-272-3735. Pre-registration will be required for mammograms at 208-706-2055.
